Director Musa Ahmad
Barzani Foundation

Dear Musa Ahmad,

Kurdish Lobby Australia would like to thank you for all your humanitarian work in the Kurdistan Region of Iraq and abroad, which admirably underlines your slogan "It is a privilege to serve one's own people". We are particularly impressed with your work in Disability, Orphans and with Women and hope you continue the great effort.

Kurdish Lobby Australia (KLA) is a not-for-profit organisation that advocates for all people in the Kurdistan Regions by writing reports, statements and letters to the Australian Government and international organisations. We have done some small Humanitarian projects such as raising and distributing funds for earthquake victims in Kermanshah, supporting Afrin refugees in Sulaimani, and having water tested for heavy metals in Judi camp in Makhmour (finding that the water is extremely polluted). We attach a copy of this report. For more information about our activities please see our website <http://www.kurdishlobbyaustralia.com>.

At KLA, we believe in collaboration and in supporting other organisations like the Barzani Foundation to help communities in all four Kurdistan regions, especially when they face natural disasters, war, economic hardship and health crises. Please let us know if there are any ways we can cooperate with each other in the future.

If a KLA member travels to Kurdistan we hope our member can visit your office to further align our objectives and provide support.

Yours Sincerely,

Eziz Bawermend BSc MBA
